Dear

Are you finishing grade nine this year and looking for a great way to spend the summer? Are you bored with your usual routine, too young to get a job, want to try something new, different and exciting? Do you want to meet new people, make lifelong friends, hang out with incredibly fun counselors, participate in amazing leadership training and really cool programs, and be in an environment that will change your life forever?

**If so, consider signing up for MICHINAH 2011 at Camp Massad of Manitoba.**

Michinah is the unique five week (July 13-27 AND August 1-22) Jewish summer camp leadership training experience at Camp Massad. There is no other program like it!

**Whether you love to act, sing, dance, play basketball, tennis, floor hockey, volleyball or soccer, make movies, write plays, write songs, play music, be goofy, be dramatic, create art, swim, hike, kayak, talk about Israel, explore your Jewish identity, or just spend real quality time with amazing people in a warm, welcoming and comfortable community - Michinah is the place for you!**

In Michinah you perform with a live rock band in *EUROVISION*, go through Israeli army basic training in *YOM TZAHAL*, create a themed dinner in *LEL MISADA*, and write, direct, build sets, make costumes and act in a feature length play in *HATZAGAH*. There's also the Michinah overnight, the day-long sports competitions, Shabbat, Maccabiah, and countless other opportunities to grow, learn, compete, create and HAVE FUN!

Give yourself the chance to experience something different, something incredible, something unforgettable. Come to Camp Massad this summer! Bring your friends! Change your life! Register by February 14, 2011 and save \$200! Please feel free to phone or email us with any questions you may have. Heydad Massad!
